Potential Analysis - Evaluation Sheet for Feedback

You participated in the evaluation discussion for your potential analysis today. Please now briefly share your opinion on it. For each statement, mark how much it applies to you by selecting a number.

Where 1 = 'fully agree' and 6 = 'not agree at all' (similar to school grades). You can use the values in between to indicate varying degrees.

		fully agree			not agree at all		
Evaluation Conversation		(1) +++	(2) ++	(3) +	(4) -	(5) --	(6) ---
1	At the beginning of the conversation, it was clearly explained to me what we would discuss today.						
2	The conversation partner was respectful to me.						
3	I felt good after the conversation.						
4	We compared my self-assessment with the observations of the observers.						
5	We talked together about my strengths.						
6	I understood my written strengths profile well.						

Career Orientation

7	We discussed together my next steps.						
8	The potential analysis encouraged me to deal with questions about my career and study choices.						

Overall Evaluation of the Potential Analysis

9	I liked the evaluation discussion overall.						
10	I would recommend other students to participate in the potential analysis as well.						

Thank you very much for your answers!
